

KS-300DLT Wired PIR Detector

- * Double infrared sensors with high sensitivity
- * Single-chip intelligent digital process
- * Double channels intelligent signal process
- * Anti-pet, interference-proof, low fault alarm
- * 3-level sensitivity setup
- * With crust removing protection function
- * Working voltage: DC 9.6-12V
- * Unit Box : 11.3×5.2×6cm 0.12kgs
- * Carton: 50×36×50cm GW: 24.04kgs 192PCS/Carton
