Life's Good.

4K UHD, Vibrant Viewing in Ultra High Resolution

LG UHD TVs surpass your expectations every time. Experience lifelike picture quality and vivid colors with four times more pixel accuracy than Full HD. LG's powerful processor boosts the resolution to the original quality and 4K Super Upscaling enhances resolution, brightness, and clarity. Vibrant colors and brightness take the screen resolution to new heights. Jump into elevated image quality with sharper contrast by HDR10 Pro*.

* HDR10 Pro is a technology developed by LG Electronics based on the standardized picture quality of standard 'HDR10'.

Get Total Connectivity from Your TV

Cast your apps directly onto your TV. See content from your iPhone or Android device on your LG TV screen effortlessly with Apple AirPlay and Chromecast built-in.

Compact Design for a Sleek Look

With its streamlined design, the UA831C series blends seamlessly into interiors, offering a contemporary and refined impression to guests.

* The depth will be 67.9 mm in 109.22 cm (43) Display.
